

WEST GEORGIA REGENERATIVE MEDICINE

THE EXECUTIVE

The stress of long hours and continuous concentration can be exhausting. This mineral and vitamin mix will improve your energy levels and mood while sharpening your ability to focus.

- Magnesium Chloride Hexahydrate
- Zinc Sulfate
- Thiamine HCL
- Niacinamide
- Pyridoxine HCL
- Calcium Gluconate
- Riboflavin
- Dexpanthenol

RISE AND SHINE

If you have had a long night out, this mix of essential vitamins and minerals replenishes electrolytes, rehydrates the body, and boosts your energy levels in just a few minutes.

- Magnesium Chloride Hexahydrate
- Zinc Sulfate
- Calcium Gluconate
- Niacinamide
- Pyridoxine HCL
- Dexpanthenol
- Riboflavin
- Thiamine HCL

NATURAL DEFENSE

If you are feeling under the weather or want to prevent illness like a common cold or flu, this infusion can help to naturally boost your body's immune system. This is a great choice for maintenance therapy, pre or post-surgical procedures, common colds and seasonal allergies.

- Magnesium Chloride Hexahydrate
- Zinc Sulfate
- Thiamine HCL
- Riboflavin
- Dexpanthenol
- Ascorbic Acid
- Niacinamide
- Calcium Gluconate
- Pyridoxine HCL

LIPOTROPIC INJECTIONS

Lipotropics are substances that affect fat metabolism in the body. Lipotropic compounds are a combination of ingredients that help improve the breakdown of fat in the liver. People who promote Lipo injections claim that the shots can improve weight loss by speeding up the metabolism and elimination of fat.

PERFORMANCE HYDRATION

This infusion is designed for a quick muscle recovery pre or post work out, improve stamina, strengthen muscles and joints. This is a great choice for athletic training, pre and post-surgical procedure, fibromyalgia, arthritis, and acute muscle spasm.

- Leucine
- Isoleucine
- Lysine
- Valine
- Ascorbic Acid
- Phenylalanine
- Histidine
- Threonine
- Methionine
- Dexpanthenol
- Tryptophan
- Alanine
- Arginine
- Glycine
- Pyridoxine
- Proline
- Serine
- Tyrosine
- Thiamine HCL
- Riboflavin
- Niacinamide

FOUNTAIN OF YOUTH

Manage how you age with this vitamin infusion. Rehydrate your skin after excessive sun exposure to avoid wrinkles. Replenish your body with nutrients that nourish your hair, skin, and nails so they appear healthier. Reduce the visible signs of aging and feel better about your appearance. Detox and eliminate toxins from your system, so you look younger.

- Magnesium Chloride Hexahydrate
- Zinc Sulfate
- Thiamine HCL
- Riboflavin
- Niacinamide
- Pyridoxine HCL
- Dexpanthenol
- Ascorbic Acid
- Glutathione
- Calcium Gluconate

LIQUILIFT

This is your one-stop-shop for all your nutrient needs. It has the greatest impact on mood, rehydrates the brain and other important organs instantly. Many people use this drip as a long-term strategy to stay healthy all year round.

- Leucine

- Tryptophan
- Alanine
- Arginine
- Glycine
- Tyrosine
- Thiamine HCL
- Riboflavin
- Niacinamide
- Pyridoxine
- Ascorbic Acid
- Histidine
- Threonine
- Proline
- Serine
- Dexpanthenol
- Glutathione

MYER'S COCKTAIL

Often used as your initial cleansing IV, the Myer's Cocktail was created by Dr. John Myer. This infusion contains several vitamins, minerals, and amino acids that are great for general nutritional supplementation. The highlighted ingredients include B-complex, Magnesium, Methyl Cobalamin (B12), Pyridoxine (B6), and Vitamin C. This is a great choice for maintenance therapy, athletic training, migraines, fatigue, fibromyalgia, acute muscle spasm, common colds, and seasonal allergies.

NAD

NAD, or Nicotinamide Adenine Dinucleotide, is a naturally occurring niacin enzyme that helps cells in our bodies produce energy. It does so by converting the energy we get from food into cellular energy. Administering lab-produced NAD will boost the levels of the chemical in someone's body, but they will need to be administered regularly to sustain that level.
